### **So Why are we are holding this Event ?**

This Event we anticipate is going to be a fantastic evening of Entertainment

**"That will be likened to a 'Film Premier Night' with all the  
Glitz and Glamour of Hollywood"**

It will also be a marvelous opportunity to raise sorely needed funding for two  
very worthy causes, a brief outline of them both are below.

**'Red Carpet Entry from 7pm'**

Firstly the National Charity attire and Masquerade Mask Obligatory"

**The Children's Hospices UK** [www.childhospice.org.uk](http://www.childhospice.org.uk) who not only work  
closely with Dorset's own Julia's Hospice but also with the many Children's  
Hospices throughout the country.

### [This is their Vision](#)

There are an estimated 23,500 children and young people in the UK who will die before they reach adulthood. Some of them will die when very young; others deteriorate slowly over many years. Families caring for these children and young people - often 24 hours a day, seven days a week - can feel under enormous emotional, physical and financial strain. Our vision is for all these children and their families to have access to the best possible care and support at home or in a children's hospice.

The second fund we are supporting at this event is the “Local Christchurch” **Red Ranger Fund** [www.theredrangerfund.co.uk](http://www.theredrangerfund.co.uk)

This appeal was launched by the Bournemouth Echo in December 2010 titled the David's Wish list Appeal.

JG Shaw Associates Ltd in association with The Dragonsdream Club

This was a local family in Christchurch whose little boy aged 5 was diagnosed with an inoperable brain tumor in September 2010 that gives him a maximum of nine to twelve months before he as his aunt says “Gets his Wings”

The family has wanted to set up a Foundation so that other families don't go through what they had to do when first told about the terrible prognosis facing their son and what also what the family would go through.

We hope that the Events of the night will also help to kick-start the Funding for the Foundation that the family wants to set up.

Children's Hospices UK and the 'Local Christchurch' Red Ranger Fund
